New Zealand Fintech Hui - Queenstown 18-20 March 2021

Proudly supported by Huddle

Fintech NZ will be hosting the first New Zealand Fintech Hui, March 18 to 20 in Queenstown.

The event is for founders, investors, industry and government partners to discuss the state of Fintech in New Zealand and to explore domestic and international opportunities.

We will:

- ✓ Dive deep in the world of platforms with local and international guests from Railsbank and Xero
- ✓ Unpack NZ reg reforms to understand the challenges for fintechs and the opportunities for reg tech
- ✓ Discuss Open banking and the Consumer Data Right
- ✓ Explore opportunities for insurtech, the sleeping giant
- ✓ Have plenty of opportunities for networking and enjoying the best of Queenstown including an finale dinner at Walter Peak

Presenters:

Ian Boyd
APAC Partnerships Director,
Xero

Shaul David
Growth and Head of Banking,
Railsbank

Carmen Vicelich
CEO,
Valocity

Neil Roberts
Founder,
Harmony

Phil McCaw
Managing Partner,
Movac

Michelle James
Managing Director
Tower Insurance

Binu Paul
Specialist Lead, Fintech
FMA

James Cameron
Partner
Airtree Ventures

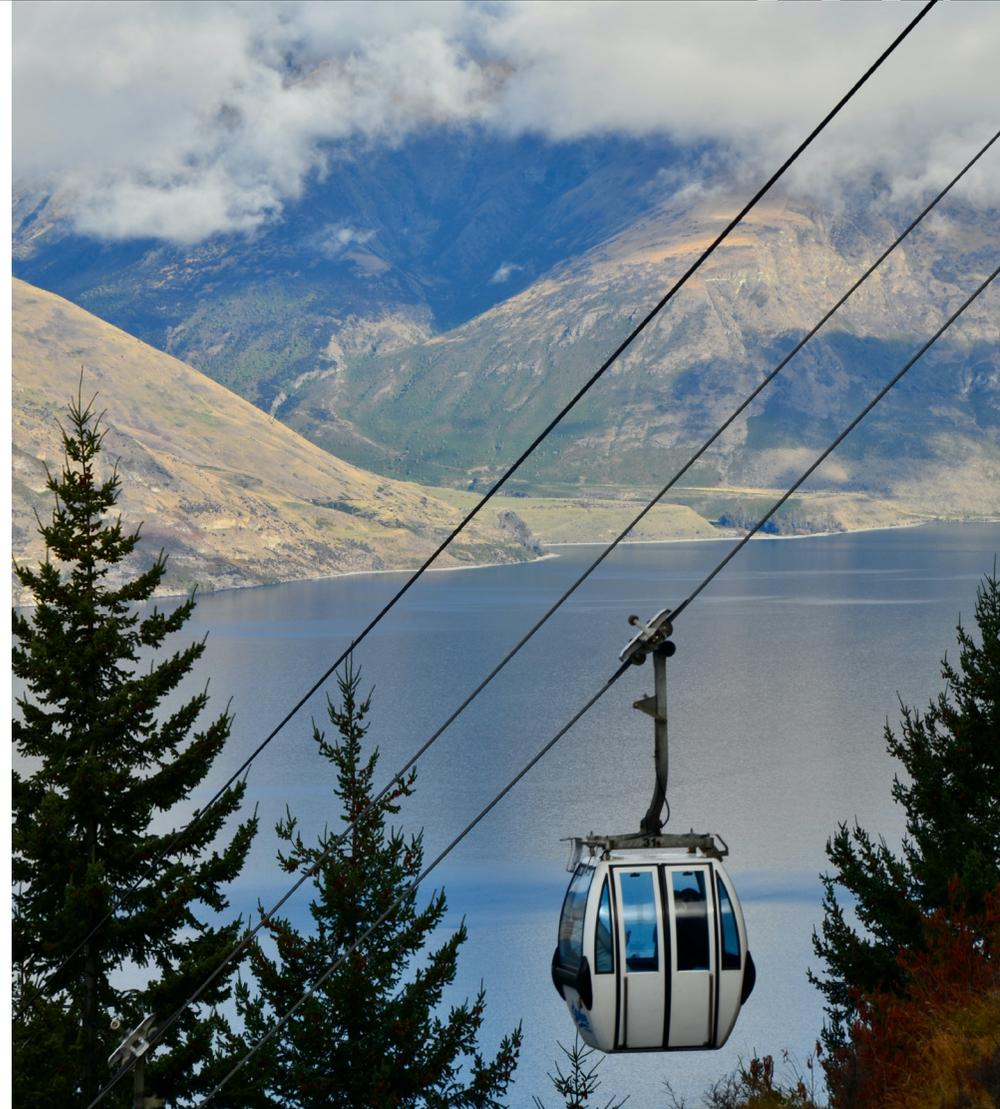

New Zealand Fintech Hui - Queenstown 18-20 March 2021

Huddle

POWERED BY  open

Powered by tech and driven by purpose, Huddle is reinventing general insurance. In Australia, Huddle's unique car, home and travel insurance has been chosen by over 50,000 customers. And with one half of the founding team based in NZ, it was only a matter of time before Huddle would reach our shores. Huddle will launch in New Zealand in 2021 offering car and home insurance, direct to market and through technology enabled partnerships.
